TRASH COLLECTION

Please remember, Residents shall not put trash containers at the curb before 4:00 PM the day before the scheduled pick-up. Residents shall collect their empty trash containers the same day as the scheduled trash pick-up. Disposal of cardboard boxes and large objects is the Resident's responsibility and must conform to City collection requirements.

ANT INFESTATION

Do you have ants inside of your home? If so, contact Management to set up an exterior inspection and treatment, we suggest that you have the interior treated as well. It is the homeowner's responsibility for the cost of any interior treatment.

Some helpful tips to prevent an ant infestation:

-Properly dispose of all food and candy products.

Routinely take the trash out to a covered, City approved receptacle.

-Don't leave food sitting out.

Immediately clean up any spills or sticky substances.

-If possible, do not leave pet food sitting out. If you must leave out pet food, place the bowl of food inside of another bowl filled with water.

PET REMINDER

Residents: please keep your dog on a leash at all times; this is not only for the safety of your neighbors, but for your dog as well. Please be courteous and remember to pick up after your pets when walking them, pet waste stations are located throughout the community.
